

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Order Instituting Investigation Into Southern California Edison Company's Electric Line Construction, Operation and Maintenance Practices.

Investigation 01-08-029
(Filed August 23, 2001)

Respondent.

**ADMINISTRATIVE LAW JUDGE'S RULING
SETTING ASIDE SUBMISSION AND
SETTING A NEW SUBMISSION DATE**

On December 20, 2002, Southern California Edison Company (Edison) filed a Petition to Set Aside the Submission for the Taking of Further Evidence. I have given the Commission's Consumer Protection and Safety Division (CPSD) until January 10, 2003 to file a response to this petition, and Edison until January 15, 2003 to file a reply.

This ruling does not address the merits of Edison's motion. However, because the case has been submitted, it is necessary to set aside submission in order to consider the petition. Therefore, I set aside submission in order to receive Edison's petition. The new submission date is January 15, 2003. A further ruling may set forth what further action, if any, the Commission may take in response to the petition.

IT IS RULED that the submission date of December 9, 2002, is set aside in order to consider Southern California Edison Company's December 20, 2002,

I.01-08-029 JJJ/tcg

Petition to Set Aside the Submission for the Taking of Further Evidence. The new submission date is January 15, 2003.

Dated January 13, 2003, at San Francisco, California.
